

## **Riverbanks College B-12 Daymap Connect**

Daymap Connect is a web-based program that enables Riverbanks College B-12 to communicate important information with our parent community much more easily and effectively.

By using Daymap Connect, families can stay informed about school matters and individual student progress. It is accessible from any computer that has access to the internet.

Our easy-to-use system allows parents to create and manage their own accounts for Daymap Connect, requiring only one login and password per parent/caregiver and access details for each individual student.

From your Parent Portal page, you'll be able to view assessment items, attendance details, see homework requirements and access school messages and notices.

How to log in to Daymap Connect:

## Step 1:

Navigate to the Daymap connect portal, this can be done by going to the link below in a web browser https://riverbankscollege.daymap.net/daymapConnect/

Or you can go to the school's website (<u>https://www.riverbankscollege.sa.edu.au/</u>) and click parent portal which is located under the Daymap menu option.
