Daymap Connect is an extension of the Daymap Learning Management System used at Riverbanks College B-12. It is a Parent Portal that is a central place for parents to follow their child's progress at school. Our live academic results and reporting abilities allow to monitor their child's attendance, achievement and progress. Daymap connect is the main platform we will use to communicate with our families, parents will be able to communicate directly with teachers and access a range of information.

Accessing Daymap Connect

Daymap Connect can be accessed using a login and password per parent (with the option to provide multiple logins). The easy-to-use system allows parents to create and manage their own accounts for Daymap Connect and enables them to access details for all of their children enrolled in the school, anywhere and anytime.

The Daymap Connect log in screen is shown below. This can be accessed through the link on the Daymap Connect email sent by the school or by clicking on the Daymap Connect link on our website.

Dear 7R Parents

Today our 7R students presented the fantastic work they have completed as part of the practical component of their Construction Task.

Students have completed their self-assessment and peer assessments, and I was very impressed with their ability to reflect on their own work and provide constructive feedback to their peers.

Please enjoy these photos of the presentation. I am very proud of the hard work 7R has done on this task!

Mr J
