

Daymap Connect

Daymap Connect is an extension of the Daymap Learning Management System used at Riverbanks College B-12. It is a Parent Portal that is a central place for parents to follow their child's progress at school. Our live academic results and reporting abilities allow to monitor their child's attendance, achievement and progress. Daymap connect is the main platform we will use to communicate with our families, parents will be able to communicate directly with teachers and access a range of information.

How to obtain your username and password

Your username is the email address that is registered at the school. The student code can be obtained from Daymap once the student has logged in, selected their profile name and then select 'my details'.

Accessing Daymap Connect

Daymap Connect can be accessed using a login and password per parent (with the option to provide multiple logins). The easy-to-use system allows parents to create and manage their own accounts for Daymap Connect and enables them to access details for all of their children enrolled in the school, anywhere and anytime.

The Daymap Connect log in screen is shown below. This can be accessed through the link on the Daymap Connect email sent by the school or by clicking on the Daymap Connect link on our website.
